Writing (10 points)

160-200 words

Once in old stage of America armed robber had an evil plan. He went to nearest bank with dangerous gun in his hands and in rude tone commanded to worker:

"Give all money you have here or else..." Scared for his life guy without any words did everything.

News about occupied bank immediately cross sheriff and two teenagers who were simply walking nearby building. Fortunately, they wanted to help with confidence and strike down evilness! Idea to tie exit flashed in their head right after meeting sheriff. They all together realised the plan, sheriff was waiting outside. When bandit tried run away, he couldn't trip over trap and simply fell. Ready officer quickly "gifted" to robber some handcuffs. Sheriff was very thankful to these two clever boys, who managed to help arrest the crime.

Like this young people saved the day of our bank.

$$3 + 2 + 1 + 2 + 1 = 9$$
